Toys for Tots

Toys for Tots is a program run by the United States Marine Corps Reserve that distributes toys to children whose parents cannot afford to buy them gifts for Christmas. It was founded in 1947 by reservist Major Bill Hendricks, inspired by his wife Diane, who wanted to donate a homemade doll to a needy child but could not find an organization to accept it.

From the East (continued)

The November Family Night at Skewer's Mediterranean Grille was well attended and included one of our new candidates and his lady.

Our December charity is Toys for Tots. We are conducting a charity raffle for the holidays. The prizes are two \$250 gift cards to Total Wine in Viera. Ticket donations are \$10.00 each.

On December 1st we will be voting for next year's Lodge officers who will be installed on December 27th.

This year has passed more quickly than I expected. It has been a full experience and one that I recommend to anyone who might be considering entering the Lodge Officer line.

We continue to hold our Wednesday degree practices. We are planning for an Entered Apprentice Degree, in December. All brothers are welcome, whether they intend to participate in the degrees or not. There is a wealth of Masonic knowledge at all our Wednesday practices.

As always one of our core duties is to encourage the growth of the craft through recruitment of good men, who will benefit and grow from association with our fraternity. When out and about display some Masonic emblem and always take time to answer any questions from potential brothers.

Fraternally,
W.: M.: Wally Jones

As her parents became older she looked after them, which allowed them to live out their lives at home. After they died, I needed an assistant in the Sea Scout Program and she volunteered. She became fully qualified in BSA ways of Sea Badge and Wood Badge.
