### From the East

My Brothers,

Thanks to the Brothers who participated in the March 13<sup>th</sup> Lodge Work Day, which pressure cleaned the Lodge exterior and cut brush back on the south tree line. The inside of the Lodge is looking good thanks to the work of Junior Warden John Sutton and his team.

We have a Master Mason Degree scheduled for our seven Fellow Crafts on Saturday, April 24<sup>th</sup> at 9:00 a.m. This will be a big day for the Lodge and the Brothers to be raised. This is a big event requiring considerable effort and practices. Please participate in the practices and attend this degree.

The Lodge needs a new Tyler since Bro. Andy Cosenza has moved to the Senior Deacon position. If you are interested in being our Tyler, please contact me. Have you considered being a Lodge Officer? It is a wonderful opportunity to learn more about our fraternity.

March 8<sup>th</sup> was our First Family Night Dinner at Beef O'Bradys, it is my intention to continue this monthly social gathering on the Second Monday of each month at 6:30p.m. In addition, Melbourne Lodge is participating in a Masters and Wardens Miniature Golf Fundraising Event on June 12<sup>th</sup> at Azan Shrine Center. We will be building a Mini Golf Hole based on design ideas from our members. Please feel free to submit a design.

Fraternally,  
Richard Earls, Worshipful Master

### From the West

Hello Brothers,

The Treasurer has made a great start with the financials. He has said there will be a quarterly statement. Unfortunately, the first Finance Committee was not scheduled due to conflicts. I will be attempting to organize a committee meeting in April.

Two new candidates for the degrees were interviewed by Brother Eddie Smeen, Past Master Kevin Gholston and myself. Both visits were positive. Mr. Cosenza has a sound family, will very well-adjusted children and a very supportive wife. Mr. Allen shows his commitment to issues by placing his life on hold and doing what he promised by taking care of his elderly parents. We feel these two individuals may be excellent additions to the craft.

During this visit, once again masonry lessons are brought to mind. A stable family above everything brings a harmonious life and outcome. In life, many times we lose the connection to our life partners by focusing on children, work or other less important issues. If the parents are a sound unit and have a clear focus on each other, the children will be fine and other issues coming before the family are resolved adequately. It reminded me that I must endeavor to keep this in my mind at all times. Masonry enforces this.

Yours Fraternally,  
Ron Lentz, Senior Warden
